ANDERSON VALLEY  
ROSE OF PINOT NOIR

2022

#### VINEYARD INFORMATION:

Straddling a naturally sculpted ridgetop above the fog line, just ten miles from the Pacific Ocean, Wiley Vineyard is situated in the famed “Deep End”—the relatively cool, westernmost portion of Anderson Valley. Resting at an elevation of 525 feet, this historic vineyard has a gentle slope, a Southeastern aspect and shallow Franciscan soil. Our Rosé is blended from five tons of Pommard, Swan, 2A (Wadenswil), 37, 115, 459, 538, 667, 828. This diversity in the vineyard contributes to the finished wine’s vitality. Encircled by ridges sprinkled with conifers, this former homestead exemplifies the sublime beauty of Anderson Valley.

#### 2022 GROWING SEASON:

The 2022 growing season will be remembered for its continuing drought conditions, uneven fruit set, and September heat and rain events. The small crop showed an elevated amount of natural acidity and fresh fruit flavors. I am fortunate to be growing grapes in such close proximity to the Pacific Ocean and its moderating influence. Grape yields were substantially below historical averages and quality was good in this vintage.

#### WINEMAKER COMMENTS:

Whole cluster Pinot Noir grapes were gently pressed into a combination of used French and Hungarian oak barrels in the winery cold room and all of the lots were wild yeast fermented. The blend was assembled in November and the wine completed a partial malolactic conversion. Brilliant pale pink salmon hue, with effusive rose petal, hibiscus, and cherry blossom aromas. Signature peach and citrus tones, with lemon zest and Cara cara orange commingling with strawberry, apricot, and nectarine flavors. Nice fullness on the front and mid-palate as the acidity hits mostly on the back of the palate, adding refreshing length to the finish. This Rosé is fresh, vivacious, and delicious.
